# Day Sailing at Priory Sailing Club

Priory Sailing Club (PSC) is a family orientated club open to all, and as part of this ethos the lake is available for sailing by non-club members who have their own craft on the **Day Ticket** scheme.

Unfortunately PSC does not currently have craft for hire to day visitors.

Day ticket visitors are welcome to use the lake on Saturdays, Sundays, and Wednesday evenings between the dates of 1st May and 30th September and will be subject to the club rules and byelaws, which are aimed at promoting safe sailing and care of the environment.

Day ticket holders are considered to be temporary members of PSC.

Day tickets cover single hull sailing boats under 16 feet, canoes, kayaks and SUPs.

The current rates for Day Tickets are -

£10 per craft per visit

The purchaser of a day ticket will be informed prior to the purchase as to the closing time of the Lake i.e when either the safety boat will be removed or the Officer Of the Day (OOD) is closing the Club. This is likely to be around 17:00hrs at weekends.

Members of the public wishing to use the Lake are required to hold their own craft Insurance (including 3rd party liability insurance to a minimum of £1m).

Visitors are also advised that:-

· Participants covered by the Day Ticket must wear Buoyancy Aids whilst on the water.

· An Officer of the Club has the right to withhold the sale of the Day Ticket, or to ask for the craft or participants to come off the water.
